Public comments, questions or suggestions:

None

1) To receive any apologies of absence

None

2) Declarations of Interest/Dispensations

None

3) New Item of Playground Equipment: pyramid climbing net

To consider:

i) New information received

Councillors considered the new information received from the providers regarding the technical specifications of the potential new piece of equipment and discussed the function of the grass matting.

The preferred site of the new equipment was thought to be between the goal post and the sloping bank, but acknowledgment was made to the fact that a level site had to be created by the installer. It was agreed that the exact location of the equipment could be finalised on a site visit by the installer and the Chairman so that all the factors influencing installation at the price quoted could be taken into consideration

ii) Placing an order

Councillors resolved to place an order for a 4m high pyramid climbing net with Mort Sport and Play Ltd at quoted cost of £17,703.95 (inc VAT of £3,053.95).

It was also resolved to withhold 15% of the total purchase price until the installed equipment had been issued with a satisfactory post installation inspection certificate (carried out by a company independent to Mort Sport and Play Ltd)

4) Any other business by permission of the Chairman

None

There being no further business, the meeting closed at 7.35pm
